No preparation is needed for auditions. I will teach them a little part of a song and dance. We will practice it over and over and then everyone will perform it for me in a small group. Not a high pressure situation at all! Everyone needs to be there at the beginning of the audition time and parents stay with them please because I have some forms for you.

The group will rehearse every week mostly on Tues. or Thurs. evenings through mid Dec. from 6:30-8:30 pm. I may have two rehearsals a week (if you can attend) as we get closer to performance time. We will be learning a show of approx.25-30 min. in length. This Fall/Winter session will be performing a Christmas show at various places in Dec.

You may have seen us at the Illinois Symphony Concert, Relay for Life, Ansar Shriners, Knight's Action Park, Illinois State Fair Grandstand Stage, Festival of Trees, Abraham Lincoln Museum, and many, many more.

My name is Pam Cannon-Garcia. I am the director and founder of this wonderful group of children. I have been teaching music for 38 years! I currently just retired from teaching music for District #186. I love music and kids.....so this is the perfect job for me!! I really do enjoy working with the

children and have found that this is such a great opportunity for them to gain confidence and build their self- esteem which will help them in so many ways throughout their lives!

If you know of a friend that did not receive this flyer please ask them to join us! Hope to see you at auditions!!
